AI insights

Charts and figures are calculated directly from the data. The commentary below is written by AI: it can misread the data or miss context, and is not a professional or official interpretation. Check important conclusions against the figures.

2026-07-15 17:28 · Diederik de Roos

This chart compares NTBs recorded in the AfCFTA and Tripartite systems from 2020 to the latest available data. Each system is shown as a stacked bar series, with the segments representing the country reported as imposing the NTB. The totals remain substantially higher in the Tripartite system, while AfCFTA reporting increases notably from 2023 onward. The 2026 values are partial-year figures.
